To

Sub : KSREC- Training Program on ***Geospatial Technologies and Trends-***  
participation requested- reg:

Sir,

Kerala State Remote Sensing and Environment Centre (KSREC) is the nodal agency of the state for Geospatial Technology and related activities and functioning under Planning and Economic Affairs Department, Govt. of Kerala. The Centre works towards building, updating, maintenance and application development in the area of Geospatial Technology. KSREC had been in the forefront for spatial data building, dissemination, analysis and decision support for Government decision makers, academia and local self Governments. The requirement and need for the utility of spatial data is increasing manifold.

As part of capacity building of stakeholders, the Centre had conducted three days training program on ***Geospatial Technologies and Trends*** for eight batches successfully. The participants of the training program attended were from Factories & Boilers Department, Town & Country Planning Department, Mining & Geology Department, Agriculture & Farmers Welfare Department, Economics & Statistics

Department, Irrigation Department, Irrigation Design & Research Board (IDRB), Fisheries Department, Kerala State Biodiversity Board, Industries & Commerce Department, KIFB, Kerala State Electricity Board and National Transport Planning & Research (NATPAC), Faculties & Research Students from Kerala, Calicut & GOA Universities and Engineering Colleges etc.

KSREC is planning to conduct three days training program on ***Geospatial Technologies and Trends*** for Government Officers, Faculties & Students (Research / P.G) from Arts & Science Colleges, Engineering Colleges during **25-27<sup>th</sup> July 2023**. Training will be conducted at KSREC, Vikas Bhavan, PMG Junction. Training fee is Rs.4500/person to be send as DD in favour of **Director, KSREC, Thiruvananthapuram**. Total number of participants who can attend training is 20. Accommodation will not be provided for the participants. The application along with the DD received at KSREC till 22/07/2023 before 4pm will be considered for the training.

Yours faithfully

Director
